V. HPLO ADMINISTRATOR'S REPORT <i>Zennia Pecina, RN</i>	The HPLO Administrator: <ul style="list-style-type: none"> <li>● Supported the Treasurer's efforts and appreciated the financial template being used.</li> <li>● Rules &amp; Regulations need to be updated as soon as possible. VI. OLD BUSINESS	A. <b>Legal Counsel Report</b> – Robert Weinberg, Assistant Attorney General reported that Bill 102-36: requires livestreaming for Board Meetings. HPLO has been working on technical solutions. This Bill's new requirement for Agendas to be published in advance of scheduled meetings. <ol style="list-style-type: none"> <li>1. No last minute changes due to 5-day notice. Purpose is to provide advance notice to the Public; Agenda could be amended at the scheduled meeting under Item II. Adoption of Agenda.</li> <li>2. Need to address whether names should be listed on published Agenda, as each Board handle items differently. Suggested that under Complaints, names of Complainant and Licensee be not listed and standardized for all Boards, (i.e. names remain unlisted during the course of the investigation).</li> <li>3. Special Meetings required staying on the agenda topics and not discuss matters unrelated.</li> <li>4. Fiscal Report may be required to be broadcasted; however, could be cost prohibitive. HPLO could use Live Streaming via webpage</li> <li>5. Workgroup has been looking at the Law; currently reviewing Texas Law and should consider addressing it and using it in our local Statue on subjects such as:               <ol style="list-style-type: none"> <li>a. Veterinarian Record Keeping</li> <li>b. Provision for Temporary Licensure</li> <li>c. Inactive Licensure</li> <li>d. Removal of Collaborative Practice Agreement, e.g. Prescriptive Authority</li> <li>e. Executive Sessions regarding pending cases against Licensees. Some Boards are mandated to handle complaints in Executive Session, while other Board's, such as the GBAHE, do not have that authority.</li> </ol> </li> <li>6. Challenge finding legal representations for cases, such as those filed against local Veterinarians</li> <li>7. On Chiropractor Case:               <ol style="list-style-type: none"> <li>a. Cease and Desist Letter initiated to be served on one unlicensed "chiropractor" based on information from the social media, at an establishment called "Le Balance."</li> <li>b. Another matter is on a local Chiropractor going off-island and leaving another "Chiropractor" from California to take charge of her clinic to see patients, who is not licensed on Guam. Dr. Miller said that he is in the process of determining whether treatment was actually provided based on appointment log. Noted that a Complaint file will be filed with this Board.</li> <li>c.
