the Okkodo High School Bulldogs and Southern High School Dolphins eliminated. The wrestlers set to advance in the next day's competition were in for four matches with two being under the semifinals and championship.

Highlights

The final day was filled with emotion and determination to be on top of the competition, literally and figuratively. Both boys and girls divisions showed each wrestler taking their strength and school strategy to heart. From Royals' Sophia Kelly's challenging pins, to Geziah Biou's speed to take down each of his opponents, to even the

most muscular freshman in George Washington High School's Rayn Rios going against the odds and taking gold in the 170-lb division.

Results

The all-day competition ended with the Royals' tak-

ing first in the girls division with 107 points. The John F. Kennedy High School Islanders took second with 67 points and Tiyan Titans took third with 42 points. The Friars closed out the events as they were named first in the boys division with 131 points.

A first in the competition occurred when the Guam High Panthers and Tiyan Titans tied for second place in the division, both receiving 64 points. Though rare, it was an undeniable decision based on what both schools' male wrestlers displayed throughout

the day, fast maneuvers and swift takedowns. The GW Geckos walked away taking third in the division with 48 points.

The MVPs were also announced with JFK's Seray Garrido and Tani Aguerro each taking both MVP awards under the girls division. The MVPs of the boys division went to Tiyan's Biou and GW's Rayn Rios.

The Astumbo Middle School girls softball team celebrates its 14-11 championship victory over the Inarajan Middle School Warriors on Oct. 16, 2022, at the Triple J Baseball Field at Okkodo High School. The championship culminated Guam's first-ever middle school girls softball league.

to say that," said Warriors coach Frank Chargualaf. "It was good, the pressure was there and we played with heart, all the way to the end."

Chargualaf said the players have come a long way from the first day of practice to today. They went

from being unable to bat, throw and catch to being able to do it all.

"These girls are more than just teammates, they're more of a family now. They've learned to love the sport and they love to play with their sisters on the field," he said.

Gilbert echoed his feelings.

Both coaches said they would return next season.
