VI	<p>Old Business</p> <p>A. PHARMACIES/FACILITIES/WHOLESALES:</p> <p>1. Gurusamy, Inc. DBA: Health Services of the Pacific (HSP). HSP represented by Ms. Gurusamy and PIC Mr. Dalmacio: The Chair indicated that the Policy Manual was received as requested by the GBEP. Ms. Gurusamy stated that based on the recommendation from the Chair, HSP did a crosswalk of the Policy Manual with the 797 compliance requirements to better reflect that the HSP Policy Manual addresses the requirements for licensure. Mr. Dalmacio stated that HSP has experience in performing the required practices as it has operated as a pharmacy in the past. With this application, HSP has expended effort to increase its level of service. Once the GBEP approves its license, HSP will take some time before it opens in order to address preparatory</p>	GBEP	0742	Approved

Mariano's questions, PIC Paul Dalmacio stated:</p> <ul style="list-style-type: none"> • He will serve as an interim PIC until HSP hires a permanent PIC. • The pharmacy operating hours will only be open when the PIC is present, while intake and clinical consults will be done in real time (i.e., if he is not present, the pharmacy will be closed). Therefore, there will be no conflict in serving both locations as PIC or any conflict of interest. • Technicians will be trained to do cleaning and preparatory work to include disinfection. Unfortunately, one of the technicians recently resigned; therefore, he will be responsible for preparing IV infusions. He reaffirmed that the technician is properly trained to perform the assigned duties. • All HSP assigned staff will undergo the required training. <p>Ruth Gurusamy extended her appreciation to the GBEP for their guidance and consideration of the HSP license.</p> <p>HPLO to prepare the new license certificate with a new number.</p> <p><i>Motion to approve: A.
