VI.	<p>A. Emergency Issued Licenses. The GBME noted that the following applications were and issued since the last GBME meeting:</p> <ol style="list-style-type: none"> 1. Jeffrey D. Biberston – GRMC 2. Andrew D. Healey – GRC. Dr Berg clarified that the applicant was born in the United Kingdom on a U.S. Air Base, and he is currently serving in the U.S. military. 3. Jennifer A. Linden – GMHA 4. Rian M. Yalamanchilli – GMHA <p>P. Flores suggested implementing a process that would allow Board members to review applications electronically via secure means, as well as delegate some parts of the review process to HPLO, e.g., CMEs. In addition, in reference to non-US citizens, he suggested the application be updated to ensure applicants provide official documented proof to legally work in the USA, and that these changes be implemented by the next meeting. The Chair agreed with the suggestions and stated that a secure on-line review would be possible by accessing the HPLO server via security protocols.</p>	Chair & HPLO Administrator	1618	Temporary Emergency Licenses Issued
VII.	<p>Old Business</p> <p>A. Complaint(s):</p> <ol style="list-style-type: none"> 1. GBME-CO-20-005 – Received: 09/18/2020. B. Sablan reported that she contacted Attorney Visosky and requested that he contact Dr. Adolphson. She also stated that HPLO appointed Attorney Visosky via a small purchase through a legal services contract. The Chair requested HPLO submit a written request to present an update at the next meeting, as well as to contact Dr. Adolphson. 2. GBME-CO-2021-011 – Received: 11/17/2021. NOTE: Dr. Berg recused himself from this agenda item. Dr. David stated that she will propose a resolution for GBME consideration under a separate agenda item. 3. GBME-CO-2022-002 – Received: 01/06/2022. The Chair reported that he had received an email from GMHA indicating that it had determined that gross medical negligence had occurred. However, Dr. Bordallo stated that GMHA has yet to officially conclude the investigation since the physician has the right to appeal the findings, which has yet to be initiated, so it would be premature for GBME to take any action on the complaint now. Furthermore, the GMHA has yet to submit its findings to the National Practitioner Data Bank, as well as officially inform the GBME. Asst AG Weinberg stated that the Board could decide to initiate its own investigation; however, based on the status provided, he supported Dr. Bordallo's position. The Chair stated that since the physician is currently not practicing, there is no risk to the public; therefore, GBME will await GMHA to conclude its investigation and findings. 	<p>GBME</p> <p>Dr. Adolphson</p> <p>Dr. David</p> <p>Dr. Berg</p>	1627	<p>HPLO to contact Atty Visosky</p> <p>Deferred to Agenda Item VIII.A</p> <p>Awaiting official outcome of GMHA investigation</p>

HPLO to inquire about nurse's notes.
	<p>7. GBME-CO-2022-014 – Received: 10/21/2022. Upon review of the complaint, the Chair stated that he did not believe that this complaint was a violation of the Medical Practice Act since the physician made a decision not to treat the individual. He also expressed concern that the complainant had been sending daily correspondence to HPLO regarding the case. Dr. Bordallo stated that physicians have a right to accept a potential patient or not. Asst AG Weinberg stated that the Board could decide on whether to pursue the complaint or not, and if so, it could be referred to an investigator. The Chair initially made a motion to keep the complaint open-ended; however, Dr. Adolphson objected to that suggestion and recommended to dismiss the case. The Chair modified his motion as follows: <i>Motion to dismiss the case since it is not a violation of the Medical Practice Act: Dr. Berg; 2nd: P. Flores.</i></p>			Dismissed

	C. Application(s) for Limited Licensure: In reference to the Limited License applications, B. Hattori – HPLO were a separate application with a fee of \$125.00. Dr. Bordallo suggested that the GBME reconsider the fees for these applicants to better attract them to eventually practice in Guam, especially for those who would be on short-term rotation. Dr. Adolphson stated that it was her understanding that these fees were being paid by the supervising physician. Dr. Berg stated that he will consult with colleagues in other states/jurisdictions and report back. He further stated that, if applicants are licensed elsewhere, then these applications could be processed like the IMLCC process. 1. John D. Scott. Berg. The Chair stated that this applicant will be providing temporary coverage and does not require a practice plan. He will not be practicing, only training. 2. Alice Jean. The Chair stated that this applicant is not seeking gainful employment. 3. Shawnie D.K. Pascall. 	<p>PERTAINING TO THE PRACTICE OF ACUPUNCTURE SUPERSEDED BY NEW RULES RELATIVE TO APPROVING THE ADOPTION OF COMPREHENSIVE NEW RULES AND REGULATIONS FOR THE GUAM BOARD OF ALLIED HEALTH EXAMINERS.”</p> <p>Dr. Adolphson expressed concern regarding the Bill and proposed changes to the GBAHE Rules and Regulations that would extend prescription authority to clinical psychologists, who are not trained in pharmacology, medication side effects, and contraindication of medications. Furthermore, if complications exist, patients will likely seek medical assistance from physicians in lieu of the clinical psychologist prescribing the medications. Dr. Adolphson recommended that the verbiage be stricken altogether and suggested approaching the Legislature before it votes on the bill. Mr. Flores agreed with Dr. Adolphson’s recommendation. Dr. Berg also emphasized the high side effects associated with psycho-active medications and the risks associated with interacting with other medical conditions. Dr. Bordallo suggested that the Rules and Regulations specify the prescribing ability and could be based on a model act from another jurisdiction, e.g., master’s in pharmacology.</p> <p>Asst AG Weinberg stated that are approximately five (5) other jurisdictions that give authority to clinical psychologists to prescribe medications with specific guidelines. If passed by the legislature, the GBME’s concern could still be addressed since there are other issues identified in the public hearings that require refinement. The Rules and Regulations could still be improved to help solidify the education requirements/ qualifications may be required before this authority is fully implemented. He recommended that the GBME and GBAHE keep an open dialogue on this and other matters. He also stated that, at the time of this meeting, the bill is not yet on the Legislature’s agenda.</p> <p>Dr. Berg agreed that the GBME should work collaboratively with the GBAHE in light of the critical shortage of psychiatrists. He recommended that the Board members contact the Speaker and Senator Torres to express their opinions.</p> <p><i>Motion to oppose the specific section that allows for prescriptive authority by licensed clinical psychologists: Dr. Berg 2nd; Dr. Bordallo.</i></p>			
IX. Announcement	<p>Next regularly scheduled board meeting: Wednesday, January 11, 2022 at 4:00 pm virtually via ZOOM.</p> <p>The Chair, on behalf of the GBME, expressed his sincere appreciation to Dr. Annie Bordallo for serving on the Board and longstanding service to the community, as a public servant and a private physician.</p> <p>P. Flores stated that he was very impressed with Dr. Bordallo’s thought process and expressed his personal appreciation.</p> <p>Dr. Bordallo stated that she looks forward to the rest ahead, but feels that she will continue to engage in helping improve the healthcare on Guam.</p>	GBME	1804	Set next meeting

Geckos starting pitcher Raythan Sablan sends a pitch down the pipe to a Southern High School batter in the top of the fifth inning. Sablan pitched a gem through five innings of play, allowing just four batters to reach base.

of hitting for the cycle.

That gave the Geckos a 4-0 lead, and after Southern scored its first run in the fourth, the Geckos added four insurance runs in the fifth and another two in the sixth for a 10-1 lead.

Meanwhile, Gecko hurler Raythan Sablan was doing a masterful job on the mound. Only four batters reached base through five innings, and one run was scored. He struck out three batters and allowed his defense to handle anything else Southern offered.

"Anything can happen in this game. I feel fortunate we got a fast start today," said

Gecko coach Lawrence Aflague. "But they did give us a scare. They're a really good team, were 2-0 for a reason and they played hard all the way through which is what you should expect from every baseball team here."

The Geckos needed all they could get as Southern stormed back with six runs in the bottom of the sixth inning.

Aflague said that Gumataotao's ding-er was exactly what the Geckos needed to stack early runs and keep the momentum going. His relief pitchers may have allowed runs but they too found ways to contribute to the team. The last out of the afternoon was a called strike by the field un-

pire.

The Geckos will face FD at 4 p.m. Tuesday, Feb. 7 at Okkodo High School. The Friars are fresh off a victory against Notre Dame High in a rematch of last year's championship game. FD coach Gerson Hoebing said his team had just three hits but managed to score on errors.

Aflague says that his boys are in for a battle.

"FD is a very strong team," said Aflague. "I just hope that we can be as competitive as we were today."

The Panthers asserted themselves on the board and with a considerable size advantage, the Panthers overtook the Warriors early in the quarter, scoring 24 points en route to a 35-31 lead at halftime.

Brantley scored half his team's total and he and Romero remained unstoppable under the rim.

The Panthers built a 10-point lead at the end of the third quarter, 54-44. The Warriors rallied and came within three points, but the Panthers stayed composed. Romero made four

baskets under the rim, and the Warriors shot a dismal 7-of-18 from the free-throw line in the fourth.

Sanchez scored 19 for the Warriors, Ventura had 16, Raven Pascual had 11 and Tretasco had 10.

St. Paul Christian School Warriors' Rui Ventura makes the layup as Guam High School's Robert Ellis goes for the block. Ellis and his fellow Panthers would get a decisive 73-63 win over the Warriors early in the Independent Interscholastic Athletic Association of Guam High School Boys Basketball season in their game Feb. 3, 2023, at Guam High.
