XI.	<b>OLD BUSINESS</b>			
	A. GMTC CNA Graduate, Howard Redila - The Acting-Chair reported that this has been an on-going issue and requested the Board to make a decision about what to do with allowing this individual to test for the CNA exam. - Since the last meeting, he submitted recommendation letters, which were positive. One of the Board members expressed unwillingness to decide today based on one letter and suggested more time to look into the case a bit more. - Asst AG Weinberg suggested to be more specific about what is needed to move forward with the decision. Bringing the applicant in to explain himself in the next board meeting will be helpful. If there will be a process of denying an applicant, the Board needs to state the reasons why and be prepared to back it up. Asst AG Weinberg has helped other Boards draft similar statements of issues. - Acting Chair invited other Board members to join in discussing the case with Asst AG Weinberg further for next steps.	GBNE	3:57	Tabled
	B. DODEA Pacific West District – Humphrey’s High School (South Korea) CNA Program - The most recent email trail clarified that they dropped Guam and wanted to move forward with North Carolina approval instead. All DODEA nursing programs are based on North Carolina's requirements, so instead of a site visit conducted by Guam, DODEA will move forward with North Carolina.		4:09	Noted
	C. GBNE Resolution 2021-01 EO to Review and Approve Renewal Applications - Board agreed to table because the Chair is not present and will continue to work on a draft for Asst AG Weinberg to review.		4:10	Tabled
	D. CNA Testing - Next CNA Test will be held May 21 and 22 (written exam on the 21st and practical exam on the 22nd) at a Skilled Nursing Unit (SNU) from 8am until completion. GBNE has enough proctors for the test. However, B. Manzana messaged that she is unable to attend after all. K. Hitosis, C. Tuquero and B.		4:11	Noted

	<p>Santos will be there. L. Dames tentatively has training Saturday morning, but if cancelled she could help out as a patient for testing.</p> <ul style="list-style-type: none"> <li>- Students are having exam week this week. Students have been informed, but haven't been able to respond because they are busy with finals. Student clinicals are also Saturday, so A. Varghese is unable to help. She will continue to reach out to students and let the Board know of any responses.</li> <li>- SNU is flexible so if more Board members are available on evening times or Sunday, SNU will accommodate other hours if preferred by the Board.</li> </ul>			
XII. NEW BUSINESS	<p>A. Guam High School Nurse Aide Training Program</p> <ul style="list-style-type: none"> <li>- The Board will request a clarification from a representative from Guam High at the upcoming Board meeting about a letter of request sent to the GBNE.</li> <li>- This letter requests for 40 hours clinical; however, clarification of what is meant by a "one-time solution" is required. A clinical test is required and there is no substitution for a clinical simulation.</li> <li>- Guam High usually gets their clinical piece from Naval Hospital. Are they asking for a different location or simulation? Board agrees that a simulation cannot be substituted.</li> <li>- HPLO Admin shared documents state that for exams there is no way for 100% simulation for testing. There has to be some hands-on testing in order to qualify.</li> </ul> <p>B. TEMPORARY WORK PERMIT APPLICATIONS (Emergency TWP's are noted as ETWP)</p> <ol style="list-style-type: none"> <li>1. Hi Ms. Rosemary,

Our banner ads rotate randomly on our Guam PDN website. I've requested for my digital team to push the ad out and attached a screenshot of the ad on our homepage for your reference.

The screenshot shows the Pacific Daily News website homepage. The navigation bar includes links for News, Sports, Money, Lifestyle, Opinion, Obituaries, E-Edition, and Legal. The main content area features several news articles with images and headlines, such as 'after chasing women with machete', 'Applicants become naturalized American citizens', 'GML action: Rays vs. Guam Junior Nationals', and 'GovGuam publishes list of uncashed Economic Impact Payment checks'. A prominent banner ad at the bottom right reads 'GBNE Regular Virtual Board Meeting' and includes the date 'Thursday, June 10, 2021 4:00 PM (GMT)' and a 'CLICK FOR MORE INFORMATION' link.

Thank you,

**Akemi Aguon**  
Account Manager I

I can move the second run date to tomorrow, 6/9, as well as upload the notice on the Legal Section of our Guam PDN Newspaper. Please let me know if this will suffice as I understand DPHSS is bound by law in regards to publishing board meeting notices. Again, I do apologize and I will be sure that this mistake absolutely does not happen again.

Thank you,
