Dear Zennia Pecina, Executive Officer:

Josef Silny & Associates, Inc., International Education Consultants (JS&A) was founded in 1987 in order to provide the highest quality of foreign credential evaluations and translations. I personally have over 40 years of professional experience in the field, including 16 years as the Director of International Admissions at the City University of New York and the University of Miami. At both universities I was responsible for evaluating foreign academic credentials and admission into undergraduate and graduate programs, including nursing. Our company has been a member of the National Association of Credential Evaluation Services (NACES) since 1989. NACES is essentially an accreditation body for foreign credential evaluation companies.

Our staff of over nearly 60 includes 30 highly qualified foreign credential evaluators who speak many different foreign languages. We have been evaluating foreign academic credentials for Boards of Nursing since 2008. Currently, we provide foreign credential evaluations for the following Boards of Nursing: Alabama, Arizona, Colorado, Florida, Hawaii, Idaho, Louisiana, Missouri, Montana, Nebraska, New Hampshire, New Mexico, Nevada Oregon, Puerto Rico, South Carolina, Texas, Washington and Wyoming.

Enclosed is a letter from the U.S. Department of Homeland Security of the USCIS approving our company to issue the Certification for Health Care Workers for Registered and Licensed Practical Nurses.

Only CGFNS and our company have been approved for this process.

This is to request that your Board of Nursing adds our company as an approved foreign credential evaluation service. I will be glad to provide any information you may need.

We look forward to hearing from you.

Sincerely yours,

  
Josef Silny  
President
