IV.	<b>TREASURER REPORT</b>	<ul style="list-style-type: none"> <li>- Treasurer met with HPLO and emailed the HPLO budget and funding proposals. Detailed review of the budget and funding will be held in a separate work session.</li> <li>- Based on a recommendation from Asst AG Weinberg and in-line with Bill 102-36, discussed the budget and funding in open session. <ul style="list-style-type: none"> <li>- All HPLO Boards, except EMSC and GBSW, are currently collecting fees. HPLO currently allocated an equal percentage of revenue to pay for rent, equipment, etc.</li> <li>- Asst AG Weinberg urged the GBSW to aggressively complete the budget proposal as soon as possible, as the Legislature has been requesting this information. In reference to the percentage being evenly applied to expenses based on revenue from each Board, the Asst AG Weinberg voiced that some of the HPLO Board's may take exception to this approach. Therefore, he suggested that the percentage could be based on the number of applicants being processed for each Board, as it relates to actual workload and that this approach may be perceived as more equitable. The Board's eventually will have to agree to a standard financial methodology to be used for shared expenses.</li> <li>- Agreed to contact DOA on number of Social Work classifications to determine the approximate GBSW workload in processing applications.</li> </ul> </li> <li>- The Treasurer will submit to the GBSW a draft financial breakdown for discussion in the working session.</li> <li>- The GBSW Fee Schedule is still under review.</li> <li>- HPLO indicated that the budget must be completed and submitted by the end of June 2021.</li> </ul>	GBSW – P. <b>VII.</b>	<b>NEW BUSINESS</b>	<b>A. Licensure by Exception:</b> 1. Nora A. Glenn – LBSW. P. Meno reviewed the application. Applicant is practicing in Texas and appears to meet all requirements; however, there is no indication of the Applicant’s intention to practice in Guam. Rationale: Aetna requires her to be licensed in Guam. 2. Discussed in length whether an applicant must have intentions to practice in Guam in order for the GBSW to approve an application. i. Addressed the precedence of past GBSW denials as it compares to this request, the rationale guiding the LCSW-E (Certificate of Exemption), and Licensure by Endorsement (ASWB requirements met) ii. Clarified the LCSW-E designation (those in social work positions grand-fathered without an examination) iii. Agreed that Rules and Regulations should be updated to provide clarification on this issue.	GBSW	11:46	Tabled

		iv. Asst AG Weinberg's informed the GBSW that, if otherwise qualified (meets eligibility criteria), there is a court decision that "residency" could not be used as a reason to deny licensure, 3.
